## Remo Hazy Timpani Heads

The choice of the world's leading tympanists for over 40 years. Hazy with no insert ring.

### The Best Way to Determine Size:

Remove the old head from the drum. Measure the outside diameter of the old head aluminum ring or flesh hoop. Keep in mind that timpani heads are measured differently from all other drum heads. Timpani heads are measured by the outside diameter of the entire drumhead; as if you were measuring it to fit in a box.

## Questions and Answers

### Are There Interest Or Finance Charges?

No interest or finance charges. \$5.00 for payments over 30 days past due.

### How Much Does Warranty Service Cost?

No Charge! We keep your instrument in playing condition the full 30 months. Our shop provides 2-3 day turnaround service. You pay to send in. We send back at no charge. We are not responsible for repairs outside our service department.

### What About Damage?

Accidents happen. We will repair the damage to your instrument regardless of "whose fault". Return the instrument for repair. We will return your instrument in excellent working order. Relacquering for dents and scratch removal is not included.

### Do You Take Trade-In Instruments?

Yes. Contact us for trade allowances!

### What About Insurance Coverage?

We do not include insurance if lost or stolen. Contact your homeowner agent for insurance information, if desired.

### What If We Change Instruments?

There is no charge for changing instruments. You may exchange for another beginner instrument in comparable condition offered on the 30 payment plan. All prior payments made will apply towards the 2nd instrument.

Examples: Econo Clarinet for Econo Alto Sax; Econo Trumpet for New Trombone

### What If My Student Discontinues Music?

You may cancel your contract anytime simply by returning the instrument with payments up to date.
